

# Photography & Video Usage Policy

## 1. Ownership and Copyright

- All images and video footage captured by Wolf Entertainments & Events remain the intellectual property of Wolf Entertainments & Events.
- Clients are welcome to use images and videos for their own social media, marketing, and promotional purposes.
- Any commercial redistribution or resale outside of this scope requires prior written permission.

## 2. Wolf Entertainments & Events Use

We may use images and videos for:

- Our own social media platforms (Instagram, Facebook, LinkedIn, TikTok, etc.)
- Website galleries, portfolios, and blog posts
- Promotional materials, advertising, and press releases

We will not use images that could compromise privacy or include confidential content unless expressly permitted.

## 3. Privacy and Consent

- We respect privacy and will avoid using images that identify individuals without consent.
- Event organizers or attendees who do not wish to be featured must notify us prior to or during the event.
- Clients may request specific images or footage not be used in our marketing; we will accommodate reasonable requests.

## 4. Editing and Presentation

- All images and videos may be edited, cropped, or color-corrected for quality and presentation.
- Wolf Entertainments & Events retains the right to determine how media is presented on our promotional channels.
